Hold A Success or Failure Workshop

Tom Loegering spent 49 years in all phases of the real estate and construction business, and as a general contractor and certified property manager. At present, he is a volunteer spending time doing what he loves: helping people achieve the success they want, and are willing to make personal changes to reach those goals.

Tom is a businessman who has retired 7 times. He currently serves as CEO of the Sun City Country Club and President of Golfmix, a start-up internet golf community. In addition, Tom is presently on the Board of Governors of the Arizona Golf Association and SCORE® Consultant, advising small business owners how to be successful in these trying times. He is also one of the Board of Directors of the Sun City Recreation Centers, a corporation consisting of 44,000 members with \$90 million of assets and a \$16-million annual operating budget. Tom is also the Vice President of his Home Owner Association.

Tom has found that the advice his father gave him is as true today as it was then: "Just provide your family with love, food, clothing and shelter." After that, "Money is just a tool that gives you choices of how to make the world a better place for all people who are willing to make changes in their attitude and strive to make the world a better place."

When not acting as CEO, doing SCORE® counseling or participating in several other volunteer activities Suzanne and Tom travel on their motorcycle. They have traveled in the US, Mexico, Europe, New Zealand and Australia enjoying many adventures.

As a member of the "iron butt association" Tom rides many extreme rides. In August of 2011 at the age of 73, Tom completed and rode through all 48 states plus Alaska and back again, totaling 17,500 miles in 14 days. This type of motorcycling allows a person to stretch their comfort zone inside of safety boundaries and proves what planning, endurance and determination can accomplish.

Workshops and classes are available that are tailored to meet the needs of your group. Currently, he is facilitating classes weekly at Eve's Place, a shelter for victims of domestic violence. Tom enjoys helping others who are willing to alter their attitudes of mind by teaching they can achieve all they can conceive.
